Guest Artist Program Information

Our gallery features a showcase of local artists in a wide range of media. Located in the historic Washington House Building, near the waterfront, our gallery is a popular destination for visitors from all over the Bay Area.

We feature one (1) guest artist from the community for each show which runs approximately two (2) months. This is by invitation only, preferably to artists who are underrepresented, and/or emerging.

The guest artist is included in the publicity for the gallery show. Promotion is done through a wide range of outlets including social media, website, email blasts, press and print media. The gallery hosts a reception during the show.
